# Mission Statement

The Tucson Pastel Society (TPS) is a non-profit art organization that promotes the pastel medium as a unique and beautiful art form. We sponsor exhibitions, workshops, critiques, classes and demonstrations for our members. Membership is now open to anyone who is interested in pastel. Our mission is to unite pastelists within the art community of southern Arizona, stimulate artistic growth and educate the public on the use of pastel. We also encourage the exchange of ideas or share news through our meetings, newsletter and our web site.

The goals of TPS are to encourage the use of pastels by artists and to further the public's understanding and appreciation of pastels as a painting medium. Information is available about our society on-line at [www.tucsonpastelsociety.com](http://www.tucsonpastelsociety.com).

Our vision is to be a highly active art organization, fostering the skills and camaraderie of our members while encouraging a community awareness of pastel fine art.
