

Viewfinder Abstracts

This program will help you plan an abstract painting with the help of your viewfinder. It's a great method if you have trouble abstracting a landscape or still life or need help with ideas.

Supplies:

Viewfinder

Pastels

Paper substrate any size but at least 11 x 14 or larger recommended

Backboard, tape, easel

A few old brushes for alcohol under painting

Bring a framed painting under glass or use a picture of a painting from a magazine.

And your usual painting gear for indoors
